The LDNupes are partnering with Learn To Grow, Inc. to host a Town Hall Meeting to provide an opportunity for students, parents, teachers, officials, youth, and other community members to learn more about the dangers of alcohol abuse; and to voice their concerns and suggest ideas for preventing young people from using alcohol before the legal age of 21. This is an effort to prevent and reduce the rates of alcohol-related traffic crashes and fatalities among youth and adults in Atlanta/Fulton County.

**REFRESHMENTS WILL
BE SERVED**
